General advising on Statistics Department courses

Statistics 201, 224, 301

- For transfer credit, contact the Curriculum and Degree Requirements Committee of the Department. (262-2598)

- Is the course closed? Keep trying to register and speak with the instructor the first day of classes (not sooner!). (The instructor does not have authority to override registration limits.)

Courses numbered Statistics 302 or higher

- For specific questions on course content, it is best to contact the instructor for the course. (Call 262-2598 if you need help determining/locating the instructor.)

- For general questions, contact me (Bob Wardrop) at wardrop@cs.wisc.edu.
